The Neighbourhood Health Survey

NHS England is running a survey to **understand the experience of people** living with complex health and care needs **and the experience of their unpaid carers.**

Taking part in the survey is **voluntary** and all answers are **confidential**.

If you are invited to take part, you may be contacted by **email, SMS or letter** and sent reminders.

If you **do not** want to take part, please contact england.ices@nhs.net or 0800 0885370. You will need to provide your **full name, date of birth** and **postcode**.

For more information visit www.england.nhs.uk/contact-us/privacy-notice/how-we-use-your-information/public-and-partners/those-completing-surveys-or-questionnaires/

The **National Data Opt Out** does **not** apply to this survey. If you do not want to take part please contact us. The Department of Health and Social Care has confirmed that this survey is exempt. For more information visit the NHS England '**programmes to which the national data opt out should not be applied**' web page.

The survey will be carried out by Ipsos UK on behalf of NHS England. An independent oversight group which includes members of the public, has provided support for confidential patient information to be accessed to identify and invite people living with complex health and care needs to respond to this survey.
